

Out of district - open enrollment tuition

Students requesting to open enroll from out of the district to attend Bright Beginnings Preschool in Switzerland of Ohio Local School District will pay the tuition assigned based on financial aid documentation. Maximum tuition would be \$140 per month.

The exception would be a tuition waiver (free) for a preschool student that is requesting open enrollment (interdistrict) and has a sibling that is open enrolled (interdistrict) in a SOLSD school in grades K-12. The preschool student will have free tuition as long as the sibling remains open enrolled in the school district.

Recommended cap for K Ready classrooms

Beallsville Campus - 16 students
Powhatan Campus - 16 students
Woodsfield Campus - 16 students

Skyvue Campus - 15 students in current room
River Campus - 16 students
