_____

ONLINE COURSES AND POST-SECONDARY STUDENTS:

Before you participate in any college programming, you must complete the College Credit Plus registration process with the college/university you want to attend. Be sure to complete each step below to participate in CCP programming during the 23-24 school year.

- ❏ Turn in an Intent Form to your Building Coordinator - **Deadline April 1, 2024**

- ❏ Apply to the College/University you want to attend and pay attention to deadlines-
  Deadline is April 15th

- ❏ Submit placement scores.

  ● Follow the college/university process for submitting placement scores.

- ❏ Once accepted, CHECK YOUR COLLEGE EMAIL ADDRESS!
  ● You will receive important information, including details on how to register for courses, from your academic advisor through your college email account. Consider forwarding this account to an email you check regularly.

- ❏ If you have any questions, please do not hesitate to contact your Building Coordinator and school Guidance Counselor.
