• Parent/Guardian Pick Up Requirements

Parents and guardians are permitted to pick up meals for up to ten children in their household without children being present following the below requirements.

- Parents/guardians may pick up meals at open sites for a maximum of five children without the children present.
- For parents/guardians wishing to pick up meals for six to ten children without children present, parents/guardians are to provide a written and signed certification that the meals are intended for children in their household. This certification only needs to be filled out once but must be kept on file at the site and referenced by the household at pickup time.
