Please **DON'T** put your child's name on any of the supplies. We will have labels ready for certain items and the rest of the items will be **classroom community items**. All pencils that are used on a daily basis are sharpened and wiped down with a Clorox/Lysol wipe before placed on the students' desks.

The only thing we will need in their book bag on the first day is the following information: child's name, parents' name and contact information, in case of emergency contact information, and his or her dismissal information. For example, if your child rides a bus please indicate the bus driver's name he/she will be riding to and from school. I know the supplies seem to be a lot but they will last all year long ☺
