Mr. Wisvari presides over the meeting by providing an agenda and the required information, which he thoroughly explains. This information includes: the building's Title I Parent Involvement Policy, which is approved as is or modified; the building's Annual Title I Review; testing information; Reading Website, Parent Web Sites and information about our Title I Parent Resource Library.

Parents are asked to Log into the Zoom meeting and type their name in the chat window to verify a meeting was held and participants were present. Each Title I Teacher explains how they serve their Title I children. Parents are also provided with instructional strategies and/or ideas that they can use with their children at home to help us ensure academic progress.
